Event Summary

Unite the Fight is the annual Gala for The Equality Alliance. Local LGBT charities will join together to collaborate for one common end goal: Equality.

An unprecedented silent auction, live entertainment and an elegant plated dinner will be just a few of the things the night will have to offer. Portions of the proceeds generated from the Unite the Fight Gala will be distributed among these charities to support their efforts in the fight for full equality for ALL citizens.

About The Equality Alliance

The mission of The Equality Alliance is to give support, aid and reinforcement to organizations that are on the front lines every day fighting for equality and basic human rights for the LGBTQ community. For you – it is not only an opportunity to give to your favorite LGBT charity – but to also learn more about other organizations in the area doing great work in the name of Equality.
